Cannabis Policy 2021 DELIVERY SCORECARD

This scorecard analyzes local cannabis ordinances **passed prior to January 1, 2021**, in each California city or county that legalized retail sales only by delivery, to assess policies in effect going into 2021. It evaluates to what extent potential **best practices were adopted to protect youth, reduce problem cannabis use and promote social equity** beyond those already in state law. Scores fall into six public health and equity focused categories for a total maximum of 100 points.
